

Have you noticed a streetlight that is not working in the City of Armstrong? If yes, the City of Armstrong would like their residents to report these non-working lights to the Municipal Office at 250-546-3023, 24 hours a day or if you prefer, email Wendy at wwallin@cityofarmstrong.bc.ca with the information.

Please provide the location of the street light (street address), whether the light is on a wooden or metal pole, your name and phone number (in case any additional information is needed).

Thank you very much.
