

CITY OF ARMSTRONG

NOTICE OF SPRINKLING RESTRICTIONS

All City of Armstrong residents and residents of Spallumcheen that are supplied with City water, including Silver Star, Stardel, Lansdowne, Highland Park Water District, and the Pleasant Valley and Round Prairie Specified Municipal Water Utility Areas are advised that Stage One water restrictions, as per Bylaw No. 1632, are in effect immediately until further notice:

- Even numbered address may water only on even numbered days;
- Odd numbered address may water only on odd numbered days;
- Sprinkling only allowed between 7:00 – 11:00 am and 7:00 – 11:00 pm;
- In-ground automated watering systems allowed only between 1:00 – 5:00 am on your allotted odd/even day;
- Hand watering or vehicle washing, with a container or hose with shut-off nozzle, allowed any day at any time

These restrictions are necessary due to the dry weather. Water conservation is encouraged, particularly in regard to lawn watering. Residents are thanked for their cooperation and for conservation measures they have taken to date.
